Ultima wet area mat is ideal for swimming pool surrounds, showers, spas, saunas and changing rooms. Curved design allows water to easily drain off, providing slip resistant, safe and dry surface. Ultima wet area mat is warm and comfortable and ideal with barefoot traffic. ***Ultima wet area matting is an ideal way of covering large areas. Ultima has non-slip and self-draining design. Hidden interlocking connectors, seamless look.***

SPECIFICATIONS:

Material: Antibacterially treated UV-resistant PE/EVA. 100 % recyclable. Roll width: 58 cm, Roll length: 16 m

Height: 9 mm, Weight: 2,2 kg / m²

Temperature resistance: -35°C - +70°C

Colours: Dark blue, pastel blue, graphite, beige and light grey. Bacterial resistance: No growth.

Slip resistance: DIN 51097: A+ B+ C

DIN EN 13451/15288-1: 30°

INTEGRA heel proof entrance mat with carpet inserts

Integra heel proof entrance mat combines performance and elegance together with its unique interlocking tiles and high performance carpet inserts. Integra is suitable for most demanding applications such as shopping centres, airports, subway stations and hotels. Tiles have open grid yet heel proof construction. Distinctive of Integra tile is the combination of lamellas and carpet inserts creating alternating zones for scraping, cleaning and absorbing. Lamellas form the scraping and cleaning part of the tile and plain carpet inserts absorbing part of the tile. Lamellas of tile remove grit and fibres of insert remove dust and absorb moisture. The steady rhythm of lamellas and plain carpet areas yields a unique design effect of Integra.

SPECIFICATIONS:

Tile material: UV-shielded vinyl. Resists most chemicals and oils.

Tile size: 400 x 140 mm

Packaging: 20 tiles / box (approx. 1 m²)

Height: 16 mm, Weight: 11 kg / m²

Temperature resistance: -20°C - +70°C

Tile colour: dark grey

Insert pile material: 100 % polyamide

Insert colours: graphite, blue, red

SILVER BRUSH – CARPET heel proof entrance mat with brushes and textile carpet inserts

Silver Brush-Carpet heel proof entrance mat is consisting of interlocking tiles with brush profiles and high performance carpet inserts. Silver Brush-Carpet provides excellent scraping properties and removes moisture effectively from shoes. Silver Brush-Carpet mat is ideal for inside entrances in offices, hotels, banks, professional buildings and department stores. Silver Brush-Carpet comes in four practical and attractive insert colours: grey, blue, red and graphite. High grade special vinyl/NBR tiles provide impact sound insulation and slip resistance. ***Brushes remove grit and textile carpet inserts remove dust and absorb moisture.***

SPECIFICATIONS:

Tile material: UV-resistant vinyl/NBR. Resists most chemicals and oils.

Insert pile material: 100 % polyamide

Brush material: Polyamide Nylon 6.6

Tile size: 38,5 x 6,2 cm

Packaging: 42 tiles / box (1 m²)

Height: 17 mm, Weight: 8,8 kg / m²

Temperature resistance: -35°C - +70°C

Insert colours: Graphite, blue, red, grey

Brush colour: Black

Tile colour: Aluminium

SILVER BRUSH – RIB heel proof entrance mat with brushes and ribbed carpet

Silver Brush-Rib heel proof entrance mat is a heavy duty entrance mat consisting of interlocking tiles with brush profiles and ribbed carpet inserts. Brush-Rib provides excellent scraping properties and removes moisture effectively from shoes. Silver Brush-Rib mat is ideal for inside entrances in offices, hotels, banks, professional buildings and department stores. Round, high density polyamide nylon brush bundles ensure maximum durability, high dirt removing capacity and optimal functioning for many years. High grade special vinyl/NBR tiles provide impact sound insulation and slip resistance. ***Brushes of tile remove grit and strong hard fibres of carpet insert remove dust and absorb moisture.***

SPECIFICATIONS:

Tile material: UV-resistant vinyl/NBR. Resists most chemicals and oils.

100 % recyclable.

Pile yarn material: Polypropylene

Brush material: Polyamide Nylon 6.6

Tile size: 38,5 x 6,2 cm

Packaging: 42 tiles / box (1 m²)

Height: 17 mm, Weight: 8,1 kg / m²

Temperature resistance: -35°C - +70°C

Pile yarn colour: Graphite

Brush colour: Black, Tile colour: Aluminium

SILVER BRUSH heel proof entrance mat with brush profile

Silver Brush heel proof entrance mat is a heavy duty primary entrance mat consisting of interlocking tiles with hard wearing nylon brushes providing excellent scraping properties. Silver Brush mat is ideal for applications where performance under the severest of traffic conditions is required. Specifically engineered to withstand extra heavy footfall, Silver Brush mat can be used in airports, shopping centres, supermarkets, department stores, subway stations and hotels. Silver mat is ideally suited to internal and external areas where mud or heavy soiling is a problem. Parallel lines of aggressive polyamide nylon 6.6 brush bundles remove the heaviest of soiling. High grade special vinyl/NBR tiles provide impact sound insulation and slip resistance. ***Silver Brush is an aggressive scraper matting system available in interlocking tiles.***

SPECIFICATIONS:

Tile material: UV-resistant vinyl/NBR. Resists most chemicals and oils.

100 % recyclable.

Brush material: Polyamide Nylon 6.6

Tile size: 38,5 x 6,2 cm

Packaging: 42 tiles / box (1 m²)

Height: 17 mm, Weight: 10 kg / m²

Tile size: 38,5 x 6,2 cm

Tile colour: Aluminium

Packaging: 50 tiles / box (1,19 m²)

Height: 14 mm, Weight: 8,0 kg / m²

Temperature resistance: -35°C - +70°C

Insert colours: Graphite, blue, red, grey

Insert pile material: 100 % polyamide

SILVER RIB heel proof entrance mat with ribbed carpet insert

Silver Rib heel proof entrance mat is a heavy duty entrance mat consisting of interlocking tiles with ribbed carpet inserts. Polypropylene needle punched ribs have excellent scraping properties to remove dirt, grit and moisture from shoes. Silver Rib is suitable for light to medium traffic in private and public areas. Parallel lines of ribbed polypropylene needle fibers trap dirt and moisture. The channels between the ribs conceal the dirt until cleaning time. Silver Rib fibers offer long wear, color fastness and easy maintenance. High grade special vinyl/NBR tiles provide impact sound insulation and slip resistance. ***Silver Rib with ribbed carpet inserts is unique entrance matting system available in interlocking tiles.***

SPECIFICATIONS:

Tile material: UV-resistant vinyl/NBR. Resists most chemicals and oils.

100 % recyclable.

Pile yarn material: Polypropylene

Tile size: 38,5 x 6,2 cm

Packaging: 42 tiles / box (1 m²)

Height: 17 mm, Weight: 6,3 kg / m²

Temperature resistance: -35°C - +70°C

Pile yarn colour: Graphite

Tile colour: Aluminium

DeLux doormat 60x40 cm

DeLux is a durable and versatile scraper mat for use outside any entrance. It is made of extremely hardwearing and weather resistance PE/EVA-polymers. Superior DeLux is made to withstand the heaviest pedestrian traffic, also in the most extreme weather conditions. Slip resistant base helps keep mat in position and minimizes mat movement. Open construction provides immediate drainage from mat surface, keeping the matting surface dry. Unbacked design allows moisture and dirt to flow through the mat. DeLux has beveled edging on all four sides. Unique design of stiff and aggressive lamellas on surface of the mat provides maximum brushing action. **DeLux entry mat is ideal for removing soil and mud from boots and shoes.**

SPECIFICATIONS:

Material: Extremely hardwearing and weather resistance PE-polymers (UV-resistant). Rigid construction. Resists most chemicals and oils. 100 % recyclable.

Size: 60 x 40 cm = 0,24 m²

Packaging: 30 mats / box

Height: 12 mm, Weight: 490 g / pc

Temperature resistance: -35°C - +70°C

Colours: Graphite, light grey, dark brown, beige, green and terracotta

Scraper Doormat

Scraper Doormats can be joined easily together with its connecting system. Large areas can be covered with mats without any visible seams. Scraper Doormat has elastic bristle structure, which works like automatic brushing machine. Bristles wipe effectively off all the dirt from footwear, when you walk over the mat. Slip resistant base helps keep mat in position and minimizes mat movement. Open construction of Scraper Doormat provides immediate drainage from mat surface, keeping the matting surface dry. Unbacked design allows moisture and dirt to flow through the mat. **Scraper Doormat traps heavy dirt and grit with stiff bristles. Stiff and aggressive bristles on the surface of the Scraper mat provides maximum brushing action.**

SPECIFICATIONS:

Material: Extremely hardwearing and weather resistance PE-polymers (UV-resistant).

Resists most chemicals and oils.

100 % recyclable. Sizes: 62 x 41 cm = 0,25 m²

69 x 47 cm = 0,33 m², 82 x 62 cm = 0.50 m²

Packaging: 40 pcs of 62 x 41 cm

20 pcs of 82 x 62 cm, 25 pcs of 69 x 47 cm

Height: 18 mm, Weight: 3.0 kg / m²

Temperature resistance: -35°C - +70°C

Colours: Graphite, light grey, dark brown, beige, sand brown, green and terracotta.

Designs: Plain, chess and window patterns.
